Hi Marty and Monique,

We have a team assembled to create a small event and staging area on the 12<sup>th</sup> of October to welcome "Endeavor". Our team is led by Christina Davis, President & CEO of the LAX Coastal Area Chamber of Commerce (310) 645-5151 and Geoff Maleman, Owner of Maleman Ink ([\(310\) 645-2295](tel:3106452295)). They had tried to reach out to Kevin Chilton but they have been unsuccessful. I believe Kevin is a "local boy" and so their goal is to honor him (whether he can attend or not). I know you mentioned there will be other astronauts in town...do you know if any of them might be willing to attend or speak at our small event?

We are in close contact with our LAPD Senior Lead Officers and they will be copied on any communication and vice versa.

Thank you so much for including the Westchester Community in your plans, we look forward to being stewards of this National Treasure...if only for a moment.

Miki
